The Department of Psychology and the Program in Neuroscience
Cordially Invite You to Attend
The Eighth Annual James C. Smith Lecture
and the Evening Reception

Speaker:

Alan C. Spector, Ph.D.
Distinguished Research Professor, Department of Psychology and
Program in Neuroscience, Florida State University

Title:

The Neural Basis of Salt Taste:
The Interpretive Power of Animal Psychophysics

Friday March 4, 2016, 4:00 pm, Psychology Building Auditorium (D201 PDA).
Reception to be held at 7:00 pm, Friday March 4, 2016 at the FSU Alumni Center,
1030 W. Tennessee Street, Tallahassee, Florida (see map on page 2).
RSVP by February 22, 2016 to Torri Miller, 850-644-1652, asevents@fsu.edu
Established by a generous gift from Mr. Stan and Mrs. Paula Warmath, long-time friends and associates of Dr. James C. Smith, the annual lecture features an invited internationally renowned speaker who is conducting behaviorally oriented research on scientific problems in neuroscience. The Warmaths' gift, coupled with continuing donations from other friends, former students, and colleagues of Dr. Smith, as well as support from the Department of Psychology and the Program in Neuroscience, provides the opportunity for FSU faculty and students to interact with these distinguished scholars during their visits to campus.

**The James C. Smith Lectureship Series**

From the Psychology Building
